CCNO PRESS RELEASE

Friday, August 17, 2018

STRYKER – Officials at the Corrections Center of Northwest Ohio are taking all necessary precautions after a tuberculosis case was reported.

On Aug. 14 CCNO officials contacted the Williams County Health Department to report the TB results involving an inmate. CCNO requires all inmates and staff to be tested for TB.

The inmate in question was taken to an area hospital and then transferred to a hospital in Toledo where he was admitted and undergoing treatment.

CCNO officials say that the Williams County Health Department continues to work with the facility on protocol procedures to ensure that all health precautions are being taken.
